Who is 4Children?

For those who don't know 4Children, it is one of the largest children and families charities in the UK with a breadth of services covering children, young people and families from pre-birth to 19. Established 30 years ago, 4Children has spearheaded a joined-up, integrated approach to children's services and work with a wide range of partners around the country to ensure children and families have access to the services and support they need in their communities. We run Sure Start Children's Centres as well as family and youth services across Britain. We develop, influence and shape national policy – 4Children is co-founder of The Children's Partnership, the Government's voluntary sector strategic partner for children and families, leading and supporting the development of high quality sustainable support.
