

THE KILIMANJARO CHALLENGE MOUNTAIN CLIMB & SCHOOL PROJECT

The ultimate African challenge! Help children at a local school in Moshi by completing much needed repairs and refurbishments, then climb Mt Kilimanjaro, the world's tallest freestanding volcano.

Different Challenge

THE CHALLENGE

DAY 1

Fly from London to Kilimanjaro.

DAY 2

Arrive at Kilimanjaro Airport and transfer to your guesthouse.

DAYS 3 TO 5

Work alongside the locals to help improve conditions at a local school.

DAYS 6 TO 12

Climb Mt Kili! This will be a challenging climb, taking you to altitudes of over 5,000m. We will go slowly, taking a day longer than most climbs, to allow time to acclimatise and ensure the highest chance of success.

DAY 13

Transfer to the airport for the return flight to London, arriving the following day.

THE PROJECT

The area surrounding Mount Kilimanjaro is home to some of Tanzania's poorest communities, and the schools are in dire need of assistance which this challenge will help to provide. Whilst acclimatising in preparation for your climb, you will spend three days helping on a range of projects at a local school, including renovating classrooms, clearing land for sports and recreation and restoring furniture - as well as spending time with the pupils of course!

Please note that details of all our projects may change to reflect the most pressing needs identified by the project's leaders at the time.

Trip dates

Saturday 2 October -
Friday 15 October 2010

Costs

Minimum Sponsorship:
£300 participation fee
£3100 minimum sponsorship
